

In April 2018, three Meeting Professionals International (MPI) Chapters (Toronto, Montreal & Quebec, and Ottawa) collaborated on the inaugural EVENT which was held in Ottawa, Ontario on April 12-14, 2018. In addition to the cutting edge education provided, the EVENT paved the way for event participants to expand their network circles, create new business relationships, all while strengthening existing ones. A full recap of 2018 is available on [the EVENT website](#), including a great video and hundreds of incredible photos. To ensure success again in year two, the EVENT is seeking Strategic Partners for its venture into Montreal, Quebec from April 4-6, 2019.

The EVENT is open to all MPI members as well as non-members. Registration will be made available to all MPI members; however we expect the primary participation to come from the 3 host Chapters, which alone combine over 1,000 members. The EVENT will strive for a 50/50 planner to supplier participant ratio. Our planner professionals represent the association, government, corporate, and independent event planner markets, while our supplier professionals represent hotels, convention centers, audio-visual, tourism bureaus, and more.

#### **WHY PARTNER WITH THE EVENT?**

The EVENT will offer a wide range of unique, on-site opportunities to capture the attention of participants. This is an opportunity to showcase your organization in a creative environment as the EVENT will walk the line between innovation and disruption, by utilizing various peer to peer learning techniques and technology, creative meeting room designs, tried and true and new session formats, all with the intent of encouraging participants to COLLABORATE with industry peers, CULTIVATE new ideas, and ELEVATE the meeting industry as a whole.

#### **WHY MPI?**

MPI is the leading global association committed to defining the future of the meeting and event industry. MPI empowers its members with personal and professional excellence by providing them with superior education, research, professional development and networking opportunities. Your partnership can help make this goal a success.

As a Strategic Partner, you'll be embraced in the "Buy MPI" approach. Our members believe in working with companies they know and trust, and fellow members and supporters of MPI are valued based on the knowledge that they share the same goals and principles. Let us connect you with your fellow industry professionals by partnering with the EVENT.

#### **READY TO PARTNER?**

The following document outlines the various EVENT partnership opportunities available. Please take a close look and consider where your organizational fit lies. If you would like to secure a spot, simply complete the Partnership Interest Form at the end and return back to Leslie Wright, EVENT Administrator, at [leslie@the-event.ca](mailto:leslie@the-event.ca). Remember that we are open to creative ideas, so if you have other ways you'd like to partner with the EVENT, please connect with us.

### **DISCLAIMERS**

1. *The details of the partnership level are subject to change for the subsequent years.*

**How does braindating work?** E-180 guides event participants and partners' representatives through completing their profiles, requiring them to share their offers and requests for knowledge in a one on one format. If they prefer, they can also share knowledge in the form of a group braindate to a maximum of 4 other people. Event participants can browse or search the full marketplace of offers, requests and group braindates, and then book meetings with fellow participants on the online braindating platform. On a braindate, because participants know exactly what they will be talking about (i.e. not just "Leadership", but specifically "How to improve your leadership skills through mediation."), they can dive into a fruitful conversation right away. At the time of the scheduled braindate, the attendees meet at the Braindating Lounge, where professional matchmakers are waiting for them, with a time---sorted list and profile pictures of all the matches in hand! Meanwhile, as braindates are taking place, the braindating platform will collect incredibly useful data through its real---time dashboard, which provides a wealth of information on who met who and what topic they discussed during their braindate.

- Partnership acknowledgement on attendee identification (if name badges are used)
- EVENT participants contact information in electronic format (subject to consent)
- Electronic versions of photos of the Partners activation

Please note that although the selected audiovisual provider will be recognized as the official AV EVENT Partner, the EVENT committee may explore additional audiovisual related in-kind offerings should it offer additional benefit over and above what is already being offered, or should the Visionary Partner not be able to offer the same services. Regardless, the EVENT will consult with the Visionary Partner before accepting other services.

The EVENT recognizes the value and significant costs (including labour) associated with our Visionary Partnership, and as such we are willing to be transparent that we have a budget of \$25,000 for all AV equipment and services, including rigging and translation (main Plenary only). The Visionary Partner will have other revenue opportunities with other Strategic Partners should they choose to go above and beyond basic AV set-ups offered (projector/screen, mic) in their specific meeting spaces, which the majority of Partners did for the 2018 EVENT.

## **RESOURCE SUPPORTER PARTNERSHIPS - In-Kind (Unlimited)**

Don't have \$5,000+ cold hard cash to invest in the EVENT? We value creativity so please run any other partnership ideas you might have by us and we will evaluate creating other opportunities, keeping in mind the value of deliverables outlined above.

In-kind partnerships are also welcome however the service or product being offered must be deemed by the Executive to add value to the EVENT and all in-kind partnerships must be approved in writing. All associated costs (i.e. labour, shipping, setup fees) with the in-kind offering will be the responsibility of the in-kind Partner.

In-kind Partners will receive the following benefits:

- Logo included on all applicable signage
- Logo on [the EVENT](#) Strategic Partner page, which is linked to your website
- 1 complimentary registration (only if in-kind offer exceeds \$7,500 value)
- Permitted use of EVENT logo (upon request) for promotion of partnership
- Mention on EVENT's social media, as well as bonus exposure from MPI Ottawa, Toronto, & Montreal/Quebec Chapters' accounts
- 1 post on the EVENT Facebook page, with bonus exposure (shares) on MPI Ottawa, Toronto, & Montreal/Quebec Chapters' Facebook pages
- Partnership acknowledgement on attendee identification (if name badges are used)
- EVENT participants contact information in electronic format (subject to consent)
- Electronic versions of photos of the Partners activation

## **the INITIATIVE 1:1 - \$750**

As a Strategic Partner of the EVENT, you have the first opportunity to contribute to the Initiative 1:1 that will be made available to those in the MPI Planner community that would like to attend the EVENT but require financial assistance to do so. A selection process will be implemented to ensure Planner recipients are qualified and meet the criteria outlined by the EVENT committee.

Your \$750 investment covers the registration for 2 qualified Planners as well as access to an exclusive reception to recognize those Partners who contributed to the fund as well as all recipients.

In recognition of your contributions to the 1:1, you will receive:

- Public acknowledgment of support by Emcee
- Special recognition in EVENT communications (social media, event photos)
- All 1:1 recipients contact information in electronic format (subject to consent)
- Access to the Initiative 1:1 Reception (invite only)
